

PRIVACY POLICY

This website, located at <http://www.santana.com> (the "Site"), is owned and operated by [Cadestansa LLC dba Santana Management](#). Your privacy is important to Santana. This Privacy Policy (the "Privacy Policy") outlines the types of Personally Identifiable Information (as defined below) that we gather while you are visiting the Site, as well as ways in which we process and disseminate such Personally Identifiable Information. This Privacy Policy does not pertain to information collected on any other site owned by Santana Management, its subsidiaries or other businesses, nor does it extend to the privacy practices (or lack thereof) of third parties. Santana Management cannot and does not assume responsibility for the policies, practices and actions of such third parties. You are, of course, free to use much of the Site without providing any Personally Identifiable Information to us.

Santana Management complies with the privacy laws and regulations of the United States of America. Santana Management makes no representation that this Site is governed by or operated in accordance with the laws of other nations, or that the Site or any part thereof is appropriate or available for use in any particular jurisdiction. Those who choose to access the Site do so on their own initiative and at their own risk, and are responsible for complying with all local laws, rules and regulations. By using this Site, visitors from outside of the United States of America acknowledge this Site is subject to the laws and regulations of the United States of America, and waive any claims that may arise under their own national laws.

Santana Management reserves the right to change, modify, add, or remove provisions of this Privacy Policy. Changes to this Privacy Policy will be posted here on this Site. We encourage you to check back from time to time to ensure continuing familiarity with the most current version of our Privacy Policy. You can determine whether the Privacy Policy has been revised since your previous visit to the Site by referring to the "Last Updated" legend at the top of this page. Please read this Privacy Policy carefully. Your use of this Site constitutes your acceptance to be bound by this Privacy Policy without limitation, qualification or change. If at any time you do not accept all the terms and conditions contained herein, you must immediately discontinue use of this Site.

1. What Information We Collect

Santana Management gathers two basic types of information through the Site: "Personally Identifiable Information" (or "PII") and "Non-Personally Identifiable Information" (or "Non-PII"). PII is information that identifies or can identify you as an individual (such as residential address, telephone number, or billing information) and Non-PII is aggregated information, demographic information, IP addresses and any other information that does not reveal your specific identity.

When you visit and interact with the Site, Santana Management and third parties with whom Santana Management has contracted to provide services to Santana Management may collect Non-PII (for example, a catalog of the Site pages you visit). Non-PII is anonymous and does not identify you personally. Non-PII is generally collected through the Site from four different sources: Internet protocol addresses and web logs; cookies; pixel tags and other similar technologies; and other Non-PII that you voluntarily provide (as explained below).

a. IP Protocol Addresses and Web Logs. This Site's web servers automatically collect the Internet Protocol (IP) addresses and log files of visitors. Your IP address is an identifying number that is automatically assigned to your computer by your Internet Service Provider (ISP). This number is identified and logged automatically in our server log files whenever you visit the Site, along with the time(s) of your visit(s) and the page(s) that you visited. This information is collected in an aggregate form only and does not contain any PII. We use your IP address, and the IP addresses of all users, for purposes such as calculating Site usage levels, helping diagnose problems with the Site's servers, and administering the Site. Collecting IP addresses is standard practice on the Internet and is done automatically by many websites.

b. Cookies. We and our third party service providers may use a standard technology called a "cookie" to collect information about how you use the Site. Cookies reside on your computer and help the Site recognize your computer's browser as a previous visitor. Our cookies are limited to PII, however our third

party cookies are not linked to PII. We utilize both session and persistent cookies. On occasion our Site may also set a "session cookie" which helps us administer the Site. The session cookie expires when you close your browser and does not retain any information about you after it expires. If you do not want information collected through the use of cookies, you should be able to modify your browser preference to provide you with choices relating to cookies. For example, if you use a standard browser, you should have the choice to accept all cookies, to be notified when a cookie is set or to reject all cookies. If you choose to reject cookies, you may be unable to use certain Site services (e.g., those services that require you to log on to the Site in order to participate). For more information on modifying your browser preference, please refer to the documentation accompanying your browser.

2. How Information We Collect Is Used

a. Non-Personally Identifiable Information. Because Non-PII does not personally identify you, we may use such information for any purpose. For example, we may use Non-PII to measure the number of visits, average time spent on the Site and pages viewed as well as to diagnose problems with our servers and to administer the Site. We may then use this information to analyze and improve the features and functionality of this Site. We may use non-PII information about you and other Site visitors on an aggregate basis to sell and deliver advertising, promotions and content that we believe will be of interest to you.

In addition, we reserve the right to share such Non-PII, which does not personally identify you, with third parties, for any purpose. For example, we may share information with advertisers or other third parties that are not part of the Santana Management family on an aggregate or other basis that does not disclose any of your PII.

In some instances, we may combine Non-PII with PII (such as embedding email addresses in cookies). If we do combine any Non-PII with PII, the combined information will be treated as PII as long as it is so combined. This "combined" PII is not shared with third parties, except as described in this Policy.

b. Personally Identifiable Information.

i. Site. We may use PII you give us to better tailor your website experience to your interests, and to show you content in which you may be interested and to display the content according to your preferences. We may also share your PII within the Santana Management business family in order to enhance your experience on other Santana Management websites if you opt in to allow us to do so. To the extent we do so, we make sure that your PII receives the same level of protection throughout the Santana Management business family. Please note that such sharing may involve the collection use, storage, or disclosure of PII outside the United States of America.

ii. Communications. If you choose to opt-in, we may use your PII to send you information about Santana Management and its services as well as promotional material on behalf of some of our partners. If at any time you change your mind and prefer to no longer receive such marketing communications from us, please see the "Opt-In Policy" section below.

iii. Administrative Matters. Santana Management reserves the right to contact you in the event of a change in the Site's Terms of Use and/or this Privacy Policy, or to notify you of other administrative matters in connection with the Site (e.g., contacting you to facilitate, complete or confirm a transaction). Because this information may be important to your use of the Site, you may not opt-out of receiving such communications.

iv. Fulfillment of Requests. Santana Management may use your PII to fulfill the purpose for which such PII was provided (e.g., to confirm your registration or fulfill your purchase).

v. Facilitation of Transactions. Please note that, at times, forms on the Site may be pre-populated with your PII in order to facilitate a transaction between you and Santana Management.

vi. Internal Business Purposes. We may also use your PII for our internal business purposes, such as to target advertising, for data analysis, for audits and for other internal purposes.

vii. Shopping/Commercial Services. This Site may offer merchandise and/or ticket purchase services, which may be offered by us or by one of our e-commerce partners. To the extent the merchandise and/or ticket purchase services are offered by one of our e-commerce partners, such e-commerce partner will be collecting and using the PII you provide. For more information regarding your transactions with our e-commerce partners, please refer to Section 4(b) below.

To the extent Santana Management is the entity offering the purchase services, when you make a purchase through the Site, we may collect your credit card number or other payment account number (for example, your PayPal account number), billing address and other information related to such purchase (collectively, "Payment Information") from you. We will use the Payment Information that you provide to bill you for your purchase and to fulfill your purchase. By providing your Payment Information, you are authorizing us to give that information to third parties as necessary to confirm and fulfill your order (for example, to process your credit card or payment account number and to send you products you have ordered).

viii. Email This to a Friend. The Site may allow you to forward certain items posted on Site or links to Site features by email or Instant Messenger to other parties who you believe may be interested. If you wish to use this feature, you may provide us with such other party's email address or Instant Messenger screen name so that we can facilitate your sending of such message to such other party. To do so, any PII you provide in connection with sending such other party the message, such as your name and your email address or Instant Messenger screen name, will, of course, be disclosed to such other party. While, due to technical restrictions, the recipient's email address or Instant Messenger screen names may be retained in our log files, we do not knowingly share it with third parties and we do not use this PII for any purpose except to send this message (unless the recipient has already consented to such use of his/her PII).

ix. Online Surveys/Sweepstakes and Contests. From time to time, we conduct online surveys and offer online sweepstakes or contests on the Site (each, a "Promotion"), and we may collect PII in connection with the same. We may use your PII to contact you regarding your Promotion entry, or to contact you if you win a Promotion (if applicable). You should carefully review the rules, if any, of each Promotion in which you participate through the Site, as they may contain additional important information about Santana Management's use of your PII. To the extent such rules conflict with this Privacy Policy, such rules will govern that particular Promotion.

3. How Personally Identifiable Information We Collect Is Disclosed

a. Affiliate Communications. If you choose to opt-in, we may share your PII with our affiliates, including promoters or sponsors of Santana Management events, so that our affiliates may send you announcements and notifications of events, products or services that might be of interest to you. For further information, please see the "Opt-In Policy" section below.

b. Third Party Communications. If you choose to opt-in to third party communications, we may also share your PII with third parties to allow such third parties to send promotional communications to you. For further information, please see the "Opt-In Policy" section below.

c. Santana Management Service Providers. We work with third parties who provide services including but not limited to data analysis, order fulfillment, credit card processing and other services of an administrative nature. If you use our services, we reserve the right to share your PII with such third parties for the purpose of enabling these third parties to provide such services. We take reasonable steps to ensure these third parties treat PII in a manner comparable to how we do.

d. Public Forums and Other Interactive Features. Please be aware that when you disclose PII in a chat room, forum, message board or news groups on the Site, the information may become public and accessible to all or a part of the Site community, so it is important for you to exercise discretion and appropriate

caution when deciding to reveal PII in these areas. In addition, when you choose to make a posting on such services, certain PII may be available for other users to view. We urge you to exercise discretion and caution when deciding to disclose your PII, or any other information, on the Site. **WE ARE NOT RESPONSIBLE FOR THE USE OF ANY PII YOU VOLUNTARILY DISCLOSE THROUGH THE SITE VIA THESE FORUMS AND OTHER INTERACTIVE FEATURES.** Please note that we reserve the right, but have no obligation, to republish content posted in a chat room, forum, message board or news group (including any PII contained therein) as further set forth in our Terms of Use Agreement.

In the event that you encounter any Site user who you believe is improperly collecting or using information about you or other users, please visit our Help Page to send us an email about such collection or use.

e. Online Surveys/Sweepstakes and Contests. We reserve the right to share PII collected in connection with Promotions with the third-party sponsors of any such Promotions (irrespective of whether such Promotions are hosted by us), or otherwise in accordance with the rules applicable to such Promotion. You should carefully review the rules, if any, of each Promotion in which you participate through the Site, as they may contain additional important information about a sponsor's or other third parties' use of your PII. To the extent such rules conflict with this Privacy Policy, such rules will govern that particular Promotion.

f. Compliance With Applicable Law. Santana Management may also access and disclose PII as needed to: (1) comply with applicable laws; (2) respond to governmental inquiries or requests; (3) comply with valid legal process; (4) protect the rights, privacy, safety or property of Santana Management, Site visitors or the public; (5) permit us to pursue available remedies or limit the damages that we may sustain; and (6) enforce our Terms of Use or other published guidelines.

g. Assignment. We reserve the right to transfer any and all information that we collect from users of the Site to a third party in the event of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of Santana Management's business, assets or stock (including without limitation in connection with any bankruptcy or similar proceedings). If we do so, we will notify you by the same means we will as when there is a material change in our privacy policy (as described above).

4. Collection of Information By Third Parties

a. Co-Branded Pages. We may enter into relationships with "powered by" partners, business partners, sponsors, and co-branded sites (referred to here as "co-branded pages"). These might include, for example, pages that share our name and that of another entity. You should look for a specific privacy policy on any such co-branded page. Any PII that you provide when signing up at any co-branded page may be collected by, or shared with, our third-party partner. We have no control over, and are not responsible for, our partners' use of your PII. You should check our posted partners' websites for information regarding their privacy policies.

b. Transactions With E-Commerce Partners, Vendors and Advertisers. When you provide PII to one of our Site's e-commerce partners, vendors or advertisers, this transaction will occur in connection with the site of the e-commerce partner, vendor or advertiser, not on the Site, and, as such, the PII you provide is collected pursuant to and controlled by the privacy policy of such e-commerce partner, vendor or advertiser. Santana Management is not responsible for such parties' privacy policies and we encourage you to familiarize yourself with the applicable privacy policy of the e-commerce site with which you transact business or to contact the operator of such site for more information.

Please be aware that at times, at the request of or on behalf of our e-commerce partners, vendors or advertisers, Santana Management may "pre-populate" forms with your PII for your review, and, if you so choose, for submission to such e-commerce partners, vendors or advertisers. Accordingly, we encourage you to review each pre-populated form carefully before agreeing to submit your PII to determine who is seeking to collect your information, and to familiarize yourself with the applicable privacy policy governing use of any PII collected about you.

c. Third Party Links. The Site may contain links to third-party Internet websites, which are not owned or

operated by Santana Management. We provide such links only as a convenience, and the inclusion of a link on the Site does not imply endorsement of the linked site by Santana Management. If you provide any PII through any such third-party website, your transaction will occur on such third party's website (not the Site) and the PII you provide will be collected by, and controlled by the privacy policy of, that third party. We are not responsible for the privacy practices or the content of such third-party websites, including such websites' use of any PII that you provide to them. We strongly encourage you to become familiar with the privacy practices of those sites.

PLEASE NOTE THAT THIS POLICY DOES NOT ADDRESS THE PRIVACY OR INFORMATION PRACTICES OF ANY THIRD PARTIES.

If you do choose to opt-in to receive such communications, we may, from time to time, send you marketing communications. If you change your mind and would prefer that we no longer share your PII with our affiliates and/or with third parties for their marketing purposes, you may opt-out of such future sharing at any time by using the "Ask a Question" tab on our Help Page, and specifying which choice you are opting out from, provided however, you may not be able to opt out of certain third party offers that are displayed on our Site.

6. Use of This Site by Children.

The Site is not directed to individuals under the age of thirteen (13), and we request that such individuals do not provide PII through the Site. If a parent or guardian becomes aware that his or her child has provided us with personally identifiable information without the parent or guardian's consent by, for example, misrepresenting his or her age, that parent or guardian should contact us at privacy@santana.com. If Santana Management determines that it has collected personal information of children under the age of 13, Santana Management will immediately delete such information and any accounts believed to be held by children under 13. Please see our Terms of Use for additional information regarding the use of this Site by minors.

7. Security of Your PII.

Santana Management employs reasonable security measures consistent with standard industry practice, for PII collected through this Site, including physical, electronic and operational measures to maintain security and prevent unauthorized access. While Santana Management takes all appropriate steps to safeguard PII under our control, unfortunately, no data transmission over the Internet or method of storing data can be guaranteed to be 100% secure. As such, we cannot guarantee that PII supplied by users will not be accessed on our servers, or intercepted while being transmitted to us over the Internet.
